SUSTAINABLE DEVELOPMENT GOALS

Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all

SDG goal 4.7

By 2030, ensure that all learners acquire the knowledge and skills needed to promote sustainable development, including, among others, **through education for sustainable development and sustainable lifestyles, human rights, gender equality, promotion of a culture of peace and non-violence, global citizenship and appreciation of cultural diversity and of culture's contribution to sustainable development.**

Workshop

In the current rapidly changing socio-economic and environmental local, national and global context:

1. Think

- What practical actions do you already take to address ESD in your institution/subject area?

2. Share this with your neighbour

3. Group discussion

- What more could your institution do to promote more meaningful teaching and learning?

Prepare one feedback point
