Who are we?

Transition University of St Andrews
is a **diverse network** of people with
a **common vision** of a university
and town that exemplify the values
and practices of **sustainability**
through excellence in scholarship,
operations and community action

Smarter Travel
Reuse & Recycle
Conscious Consumption
Knowledge & Skills
Sustainable Spaces

Sustainable Travel Core Team

Cycling Crew Volunteers

Plus many, many more...

What do we do?

Bike maintenance volunteer training

One Day course to learn bike maintenance skills ahead of assisting at Bike Pool sessions. Attendees can also progress to achieve further qualifications via Bike Pool including international bike maintenance standards such as velotech.

DRA Nisbet Room — 25th September and 8th October

9.30am to 4pm

Costs £15 (£5 reimbursed when you assist at 1st bike pool)

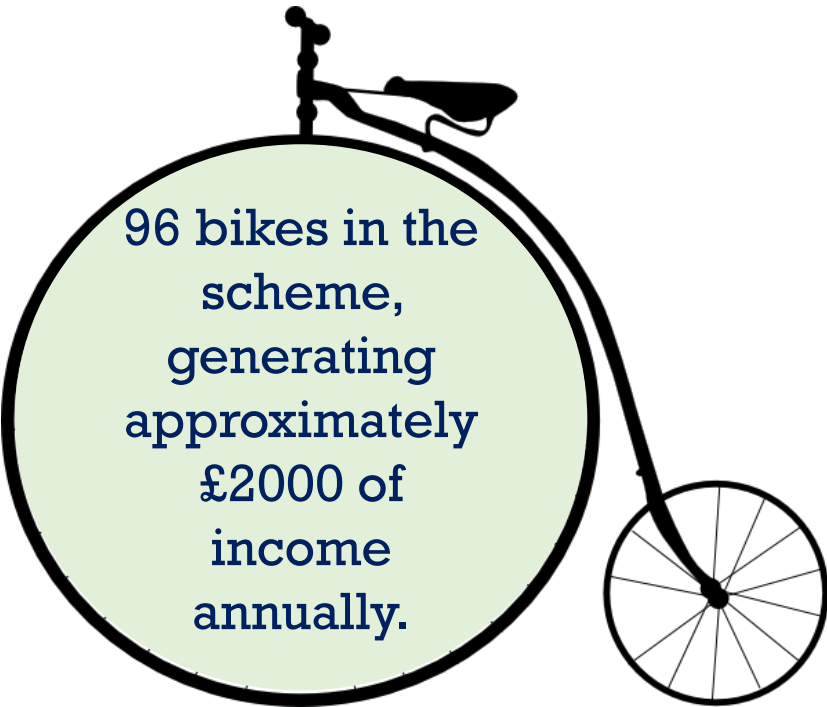

Booking via Eventbrite bike maintenance training or email transition for further info

We fix bikes

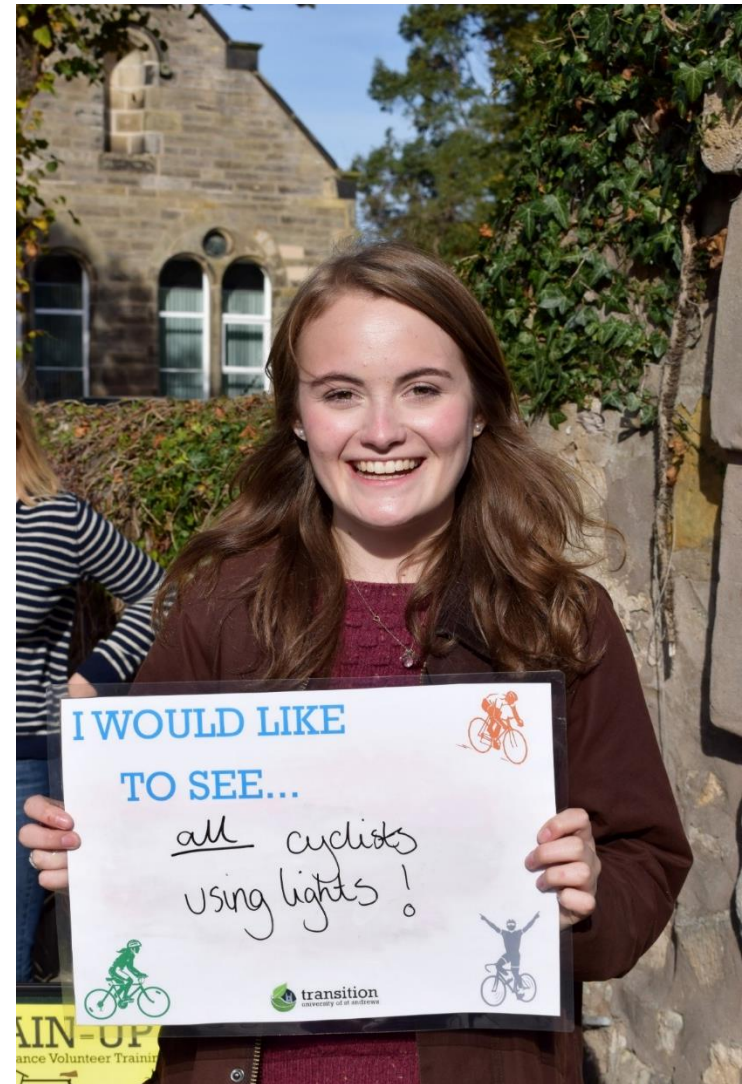

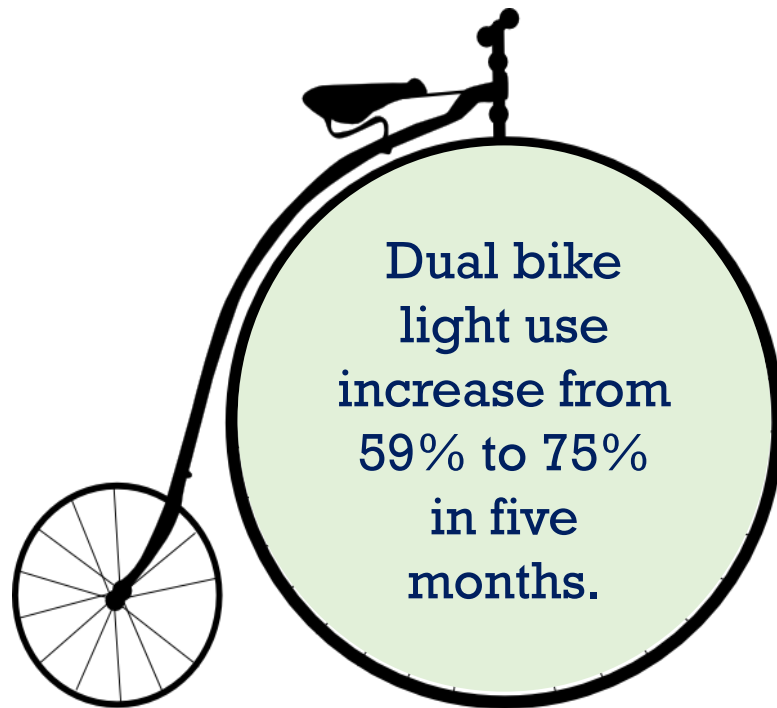

We loan out bikes

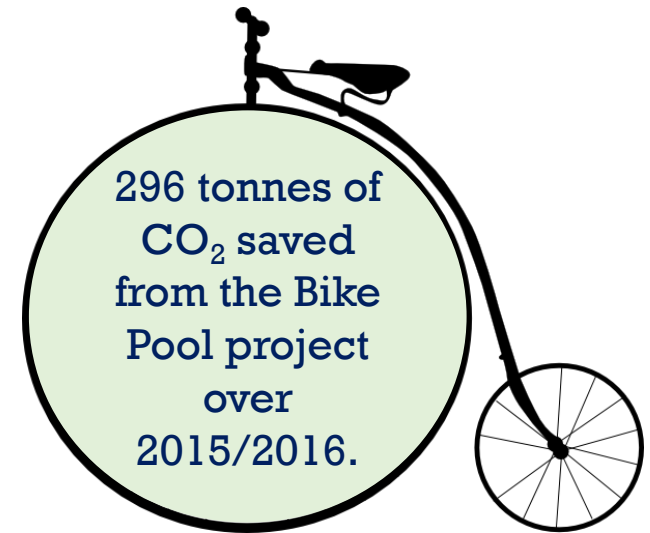

96 bikes in the
scheme,
generating
approximately
£2000 of
income
annually.

We make cycling safer

We save carbon

And much, much more...

2400 people
engaged with
about cycling
from
September
2016 – January
2017.

How do we make this happen?
