- Principles of Responsible Management Education (UNPRME) <http://www.unprme.org/>
- Responsible Futures Kitemark <http://www.nusconnect.org.uk/news/article/greenzone/Accreditation-mark-for-greener-curriculums/>

Mini case study

Learning, Teaching
and Research

- Learning activity undertaken with final year business undergraduates
- Challenging taken-for-granted
- Critical reflection on who/what kind of manager they want to be
- Embedding PRME

Challenging Connections

Learning, Teaching
and Research

‘Challenging Connections’ is about inspiring and challenging you to look again at your connections, your partnerships and the voices you are hearing and those you are not. Please allow 5 minutes to discuss:

- How can you overcome any potential challenges?
- What connections you could make? How can people in the room help?
- Who do you need to challenge internally?

Final Thoughts...
