## The Big Green Gap Year

A SUSTAINABILITY FOCUSED GAP YEAR PROGRAMME IN THE UK

### Summer Placements - JULY AND AUGUST 2015

#### MAKE YOUR SUMMER COUNT

Become more employable by making a real difference delivering projects in placements tailored to you.

Complete three placements in two months prior to starting University in 2015. Employers are looking for graduates a cut above the rest; why not complete a BiGGY summer placement, get your foot in the door, and develop skills for the ever growing 'green economy'!

The BiGGY provides unique placements to support your career aspirations and university course choices. Get involved with TeamGreen at the University of Gloucestershire Students' Union!
