Education for Sustainable Development

We have data and activities that may be of use in context based learning.

Example: Events Management
Sustainable Event organisation is included within teaching. In 2016-17 students will be organising and running Fairtrade in February as part of their course.

Project

FIX YOUR BIKE

Edinburgh College is a member of the Edinburgh College of Further Education and is a member of the Edinburgh College of Further Education and is a member of the Edinburgh College of Further Education.

Free or low cost bike repairs are organised across the Edinburgh College in autumn and spring. To book a place on one of these bike repair days, please contact the Edinburgh College of Further Education and is a member of the Edinburgh College of Further Education.

CYCLE SAFE

A few tips to help you stay safe while you cycle:

- Be seen on the road. Have lights and high visibility clothing.
- If you don't feel confident, think about additional training contact Sustainability Team.
- Headphones: Only use them for music and listen about your rights.
- Always lock your bike.

ROUTES TO THE CAMPUS

Edinburgh College is located close to the Cycle Network.

- Quiet Route 80 connecting Rosyth with Sighthill and Edinburgh Park.
- Union Canal Cycle Path (75) and (74) connects Rosyth with Edinburgh and Kelvin.
- You can also use your own route using.
