

CYCLE LOCKERS

As from the 5th November 2007 lockable cycle lockers will be available for rent at the Chaffron Way & Kiln Farm Campuses'.

Bletchley Campus will follow during this curriculum year.

A payment of £15 will be required (refundable at the end of the curriculum year).

You will need to supply your own padlock.

The lockers are designed to provide a secure home for a bicycle with provision to hang helmets as well as wet outer clothes and would be ideal for students and staff who regularly cycle to college.

Please complete a registration form (available on the intranet) and take complete with payment to your centre reception team.
