

CONNECT CONSERVE PROTECT **EARTH WEEK 2019**

april 22 - 29

In celebration of Earthweek, MapWorks Learning is launching a new Global year long Challenge focused on solutions to Climate Change. Interested in connecting your classroom to others abroad and collaborating on solutions to Climate Change? MapWorks Learning is currently accepting new classrooms free of charge to join Narrative Atlas - an online community focused on global competencies, digital literacy and reaching the U.N. Sustainable Development Goals. If you are interested in joining our challenge, please send an email to hello@mapworksllearning.org.

Here is what you can expect during your journey on Narrative Atlas!
