

EAUC Fairtrade Fortnight Tea Party

Here at the EAUC we recognise fair trade all year round by only drinking Fairtrade tea and coffee in the office and at all of our events and training.

For this year's Fairtrade Fortnight we decided to take this commitment one step further by shining a light on the Fairtrade tea farmers of the world, by having a Fairtrade Tea Party!

There were a selection of different flavoured Fairtrade tea on offer along with Fairtrade chocolate, Fairtrade cookies, Fairtrade almonds and mixed fruit and nuts. Homemade Fairtrade piña colada cupcakes and Fairtrade Earl Grey tea cake were also relished and washed down with a good ol'cuppa.

We then tested our fair trade knowledge with a quiz to ponder over whilst consuming more sugary delights. Well done to our Finance Officer, Kate Aubury for winning!
