 - Join Management Consulting programme (Foundation for the Future) and then after 2 years be promoted into S&CC

Management
Consulting

Sustainability &
Climate Change
Consulting

Foundation for the Future (FftF)

If you join the General Management Consulting (FftF) scheme, you go through Cycles of Experience through each of the competencies that make up the Consulting business.

It is important to understand the Cycles of Experience run alongside your current project but the two are not intended to align.

During each rotation, you will have the opportunity to learn about each competency in 3 different ways:

Skills we look for

Whether you're an experience professional or just starting out in your career, we'll look for you to provide examples of how you've demonstrated the PwC Professional attributes.

This could be through:

- Academic studies
- Extra-curricular activities
- Hobbies
- Work experience
- Part-time/full-time jobs
