CarbonCredentials

The Project

Aims

- Both sides of the story: professional departments & sustainability
- Fostering the further collaboration of these teams
- Embedding sustainability at a departmental and institutional level

Process

- Desktop research
- Calls with professional bodies and 'experts'
- Sector workshops (in person and online)

Collating Advice Documents & Case Studies

Departments Covered

- Human Resources
- Finance
- Catering
- Information Technology
- Marketing & Communications

Key Findings

1. **Advantages** of collaborating with department
 - a) How **department** supports **sustainability** aims
 - b) How **sustainability** supports department's aims?
2. Collaboration **challenges**
3. Developing a **relationship**
4. Potential collaborative **projects**

Workshop Session

What other departments would you like to work more with?

- 5 minutes – selection of departments to focus on
- 15 minutes – discussions in groups
- 10 minutes – sharing of key ideas

Thank you!
