

Collaboration

John Wincott
Environmental Services
Coordinator

Adaptation

What do we mean?

Climate Change

Freak Weather!

Financial loss

Social Responsibility

Peebles – December 2015

Adaptation

Sustainability

Health &
Wellbeing

Environment

Nepal – August 2017

Adaptation

What does that mean for us?

The Courier - 2019

Fife Today - 2019

Fife College

What is Climate Change?

Warmer, wetter
winters

More/worse flooding

Rising sea levels

Droughts

Hotter, dryer
summers

Higher winds/hurricanes/torrential rain

More extreme
weather patterns

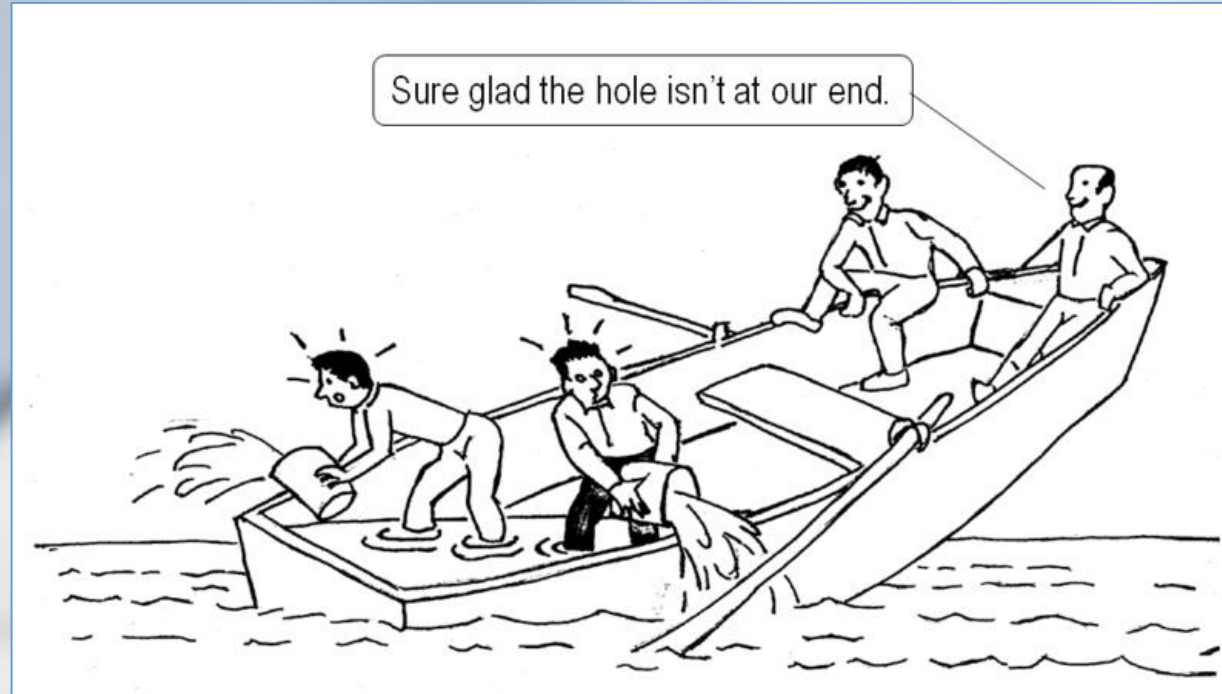

Heat waves

Unpredictability!
