GENERAL ENQUIRIES

- Existing Recycling Bin
- Plastic
- Costly
- Could a local company help?

The Recycling Bin Brief

- Could we make a recycling bin from pallet wood?
- Would it meet users needs – size, impact, information panels, functional?
- Could it cost the same or cheaper than plastic?
- Would procurement support a social enterprise being a sole provider?

FREEHAND VERSION !

- VERSION TWO
- Separate backpiece added
- Larger opening
- Door hinge weaker
- Pallet wood
- Magnet for locking

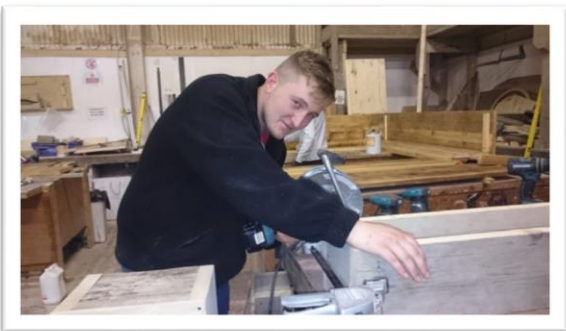

- VERSION 3
- Smaller aperture
- One piece at back
- Protective finish
- New locking
- Information panels
