

# SAVE ENERGY

THIS  
MEANS  
YOU!

## WOULD YOU LIKE A FREE SUMMER BALL TICKET?

If you live in Limbury blocks 1-10 you have the chance to get involved in energy saving competition!

The aim of this experiment is to see which block uses the least amount of electricity over a 2 month period.

We are looking for 5 willing blocks to take up the challenge of seeing how much energy they can save over 8 weeks.

The winning block wins **FREE** summer ball tickets.

**To enter your Limbury block into this competition please see Jake Marks by 3pm  
Wednesday 11th January!**
