University of Leeds

Speakers: Tom Riordan
CEO, Leeds City Council
Chris Brown
Director of Sustainable Business, ASDA

How do we make the future of the sustainable city? Leeds: A dialogue

Key questions:

- How can cities such as Leeds achieve future sustainability – that is, economic prosperity plus social and environmental wellbeing?
-
- Are universities and colleges serving as catalysts for, and enablers and drivers of, local regeneration?
 - How can universities and colleges use their human and physical capital to build the connections and nurture the resilience that enable sustainable growth?
