Scotland's Response 2015

'These SDGS form a vision for the world that I believe the people of Scotland share ... Unlike their forerunner - the Millennium Development Goals - these goals will not be restricted to the developing countries – instead they will be universal, applying to all countries.

And that is why I am delighted to confirm that Scotland has become one of the very first countries to publicly sign up to these goals ...'

Scotland's First Minister July 2015

Post 2015 Working Group

To provide a forum for the Scottish Voice on the Post 2015 Agenda:

- bringing sectors together and exchanging information;
- influencing the Post 2015 Agenda;
- implementing the Post 2015 Agenda across Scotland – on a cross-sectoral basis
- Work strands on community/economy and business/post 2015 framework/HE

Post 2015 Action Plan?

1. Initial mapping of SDGs against Scotland's frameworks to tackle poverty and inequality:

The National Performance Framework
SNAP on Human Rights
The Fairer Scotland Action Plan

2. 2015 Consultation on **International Development Strategy**, published 2016 <http://www.gov.scot/Topics/International/int-dev/idstrategy>

3. Current consultation on **National Performance Framework?**
