FOOD WASTE PREVENTION

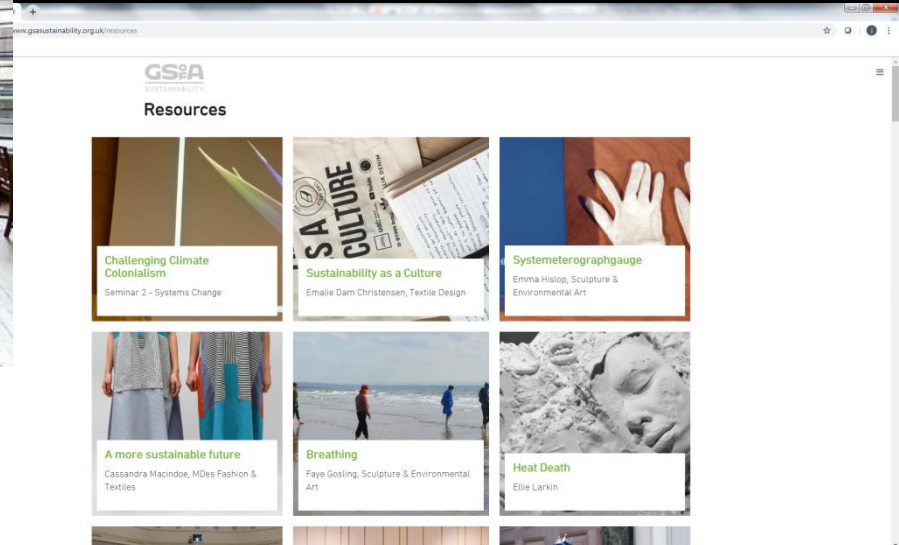

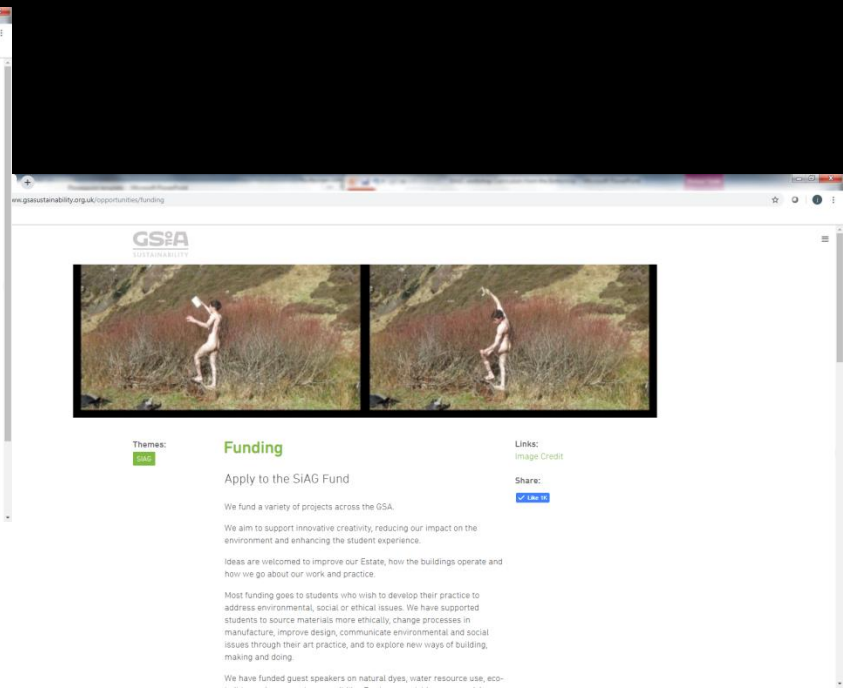

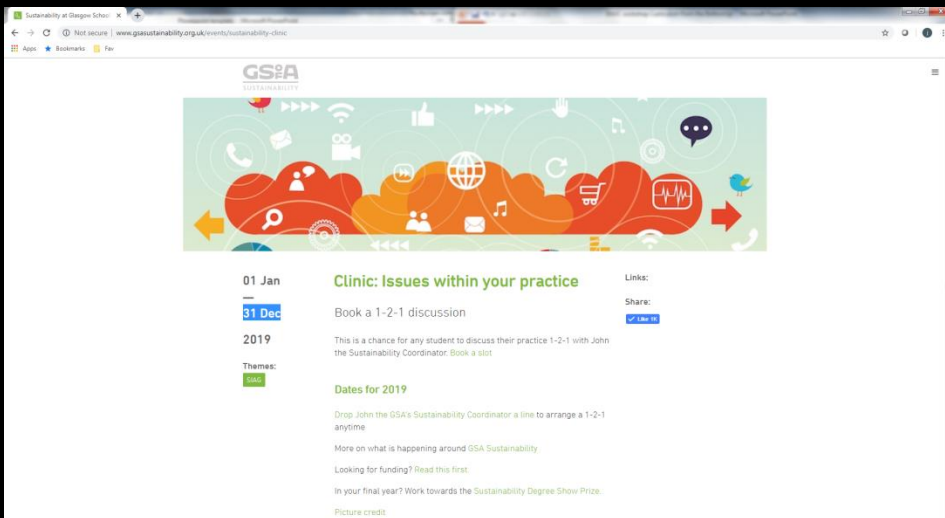

Key Takeaways

- We're doing it wrong, don't focus on Estate wins, we're here to influence curricula
- Some things like recycling and plastics are just negative effects
- Focus on what the student is there for – their subject area
- Make their experience better, deeper, more broad and make them more employable
- Non-academic sustainability staff can influence the curricula – talks, films, support
- Work with students direct to influence circular

Workshop

- Discuss on tables what you might do differently
- Report
