

The Climate Commission for UK Higher and Further Education Students and Leaders

What is the Climate Commission for UK Higher and Further Education Students and Leaders?

- A unique partnership to produce a cohesive, clear and consistent response to the climate emergency across the sector
- Working on understanding 5 priority areas:
 - Mobilising the Sector
 - Research and Innovation
 - Measuring and Reporting GHG Emissions
 - Deep Adaptation
 - Student Experience and Education
- Students are at the heart of our work

How have students been involved so far?

- 3 Student Commissioners guide the Commission's work, attend events and promote the Commission
- Student Question at each Evidence Gathering Event
- UNESCO Futures of Education Discussion Groups and Report
- Climate Chats with Students Podcast

How can you continue to get involved?

- Take our 10-minute survey!
<https://glos.onlinesurveys.ac.uk/climate-commission-survey-for-students-2>
- Email us if you have any ideas about how you'd like to get involved:
email speres@eauc.org.uk
- Climate Commission Podcast: Climate Chats with Students. Come speak on our podcast! Email speres@eauc.org.uk
- Attend our consultation for a University Climate Action Roadmap (TBC)

Thank you!
