

WANDLE VALLEY

LOW CARBON ZONE

BE PART OF IT 
SAVING ENERGY, MONEY AND TOMORROW

**Come and learn what is happening
in Merton to help residents cope
with climate change and rising
fuel prices.**

Tuesday 13th March, 12.00– 3.00 pm

At South Mitcham Community Centre,
Phipps Bridge Road, Mitcham

Discover how the low carbon zone has helped hundreds
of residents reduce their fuel costs and their impact
on the environment.

Find out what is available to help you reduce the
impact of rising fuel prices.

Refreshments will be served at the end of the event
and there will be a crèche facility.

Organized by Sustainable Merton in partnership with
LBM, South Thames College, Groundwork London
and SMCA.
