

SUSTAINABLE TRANSPORT INITIATIVES

We are committed to reducing the environmental impact of our staff and students travelling to the University and are offering a range of commuting and parking options, with a shift towards more sustainable transport initiatives. As a result of your feedback...

£10 PARK AND RIDE SMART CARDS

The discounted Park and Ride Smart Cards were so popular we've reduced the cost further. For 2016/17, the cost is £10 per Smart Card (a significant discount from the £60 charged by Winchester City Council). Up to six passengers in a single vehicle can travel on each P&R ticket and you can use your ticket on the P&R bus during the day without paying any additional charges.

FREE ELECTRIC VEHICLE PERMITS

We have introduced an Electric Vehicle band for those staff who have made the additional investment in the lowest emission vehicles (and who live outside of the relevant exclusion zone). Permits are free and there are fast, rapid and all-day charging points at West Downs.

10-30% DISCOUNT ON SELECTED BUS SERVICES

Bluestar
20% discount for students and staff on Bluestar's 30 day and 90 day network tickets. Covering all Bluestar services across Hampshire and Dorset, including the Bluestar 1 to Winchester and Unilink bus service in Southampton.*

First Hampshire
10% discount for students on monthly, three-monthly or annual bus tickets. Up to 30% discount for staff on monthly tickets. Covering all First Hampshire bus services in the county, including the E1/E2 service to Winchester.*

NEW PRE-PAID PARKING SYSTEM

We are replacing the pay-by-phone system with a new prepaid system, Whoosh! It's more robust and can be accessed by a smart device (Apple and Android apps), text, phone and computer. You will only pay for the time you require parking.

CAR SHARE PERMITS INCREASED ELIGIBILITY

Car sharers from the same address outside the exclusion zone are now also eligible for Car Share permits. These permits will continue to be issued at the lowest price point regardless of engine size or carbon emissions (£48 per permit for 2016/17). Car Share bays are restricted to Car Share users and childcare permit holders until 10.30am.

15% DISCOUNT ON SOUTH WEST TRAINS

15% discount for staff on train travel into and out of Winchester on South West Trains with an easitCARD. Valid on: Peak and Off Peak, Singles, Returns, Weekly, Monthly, Quarterly, Annual and First Class tickets.*

10-25% DISCOUNT AT SELECTED CYCLE OUTLETS

10% discount on bikes and accessories at Peter Hansford Cycles and Hargroves Cycles for all students and staff. Just show your university ID Card.

For staff with easitCARDS:
10% discount on bikes and 20% discount on cycling accessories in-store at Halfords, 10% discount on electric bikes online at Cyclotricity and 25% discount on electric folding bikes online at beatbikes.

PARKING DISCOUNTS FOR LOW EMISSIONS

Older vehicles registered before 31 March 2001 are now charged based upon three engine size categories to recognise those staff who drive smaller but older vehicles. An ultra-low emissions category (VED band A) has been introduced for those who have made the additional investment in the lowest emission vehicles.
