**Our arrogance and haste may cause our deaths, but
who's to blame?**

**'cause I'm in debt, pained to admit ethics are luxuries
I can't commit to something that's so very far away
And if I cared too much, I'd self-implode, my family rely
on me...**

**I stand at North Cape
staring out of time
into the nothing
A rising feeling I'm
Caught between the devil and my apathy
Ozone moral hell**
