About Pack for Good

Reduce Costs. Fund Research. Beat heartbreak.

About Pack for Good

Universities on board

How the tailored campaign works

Reduce Costs. Fund Research. Beat heartbreak.

- ☐ We ask you lots of fact finding questions up front
- ☐ We provide you with everything you need
- ☐ We tailor a collection schedule for your university & dates
- ☐ We are always at the end of the phone

Why we tailor our campaign

Reduce Costs. Fund Research. Beat heartbreak.

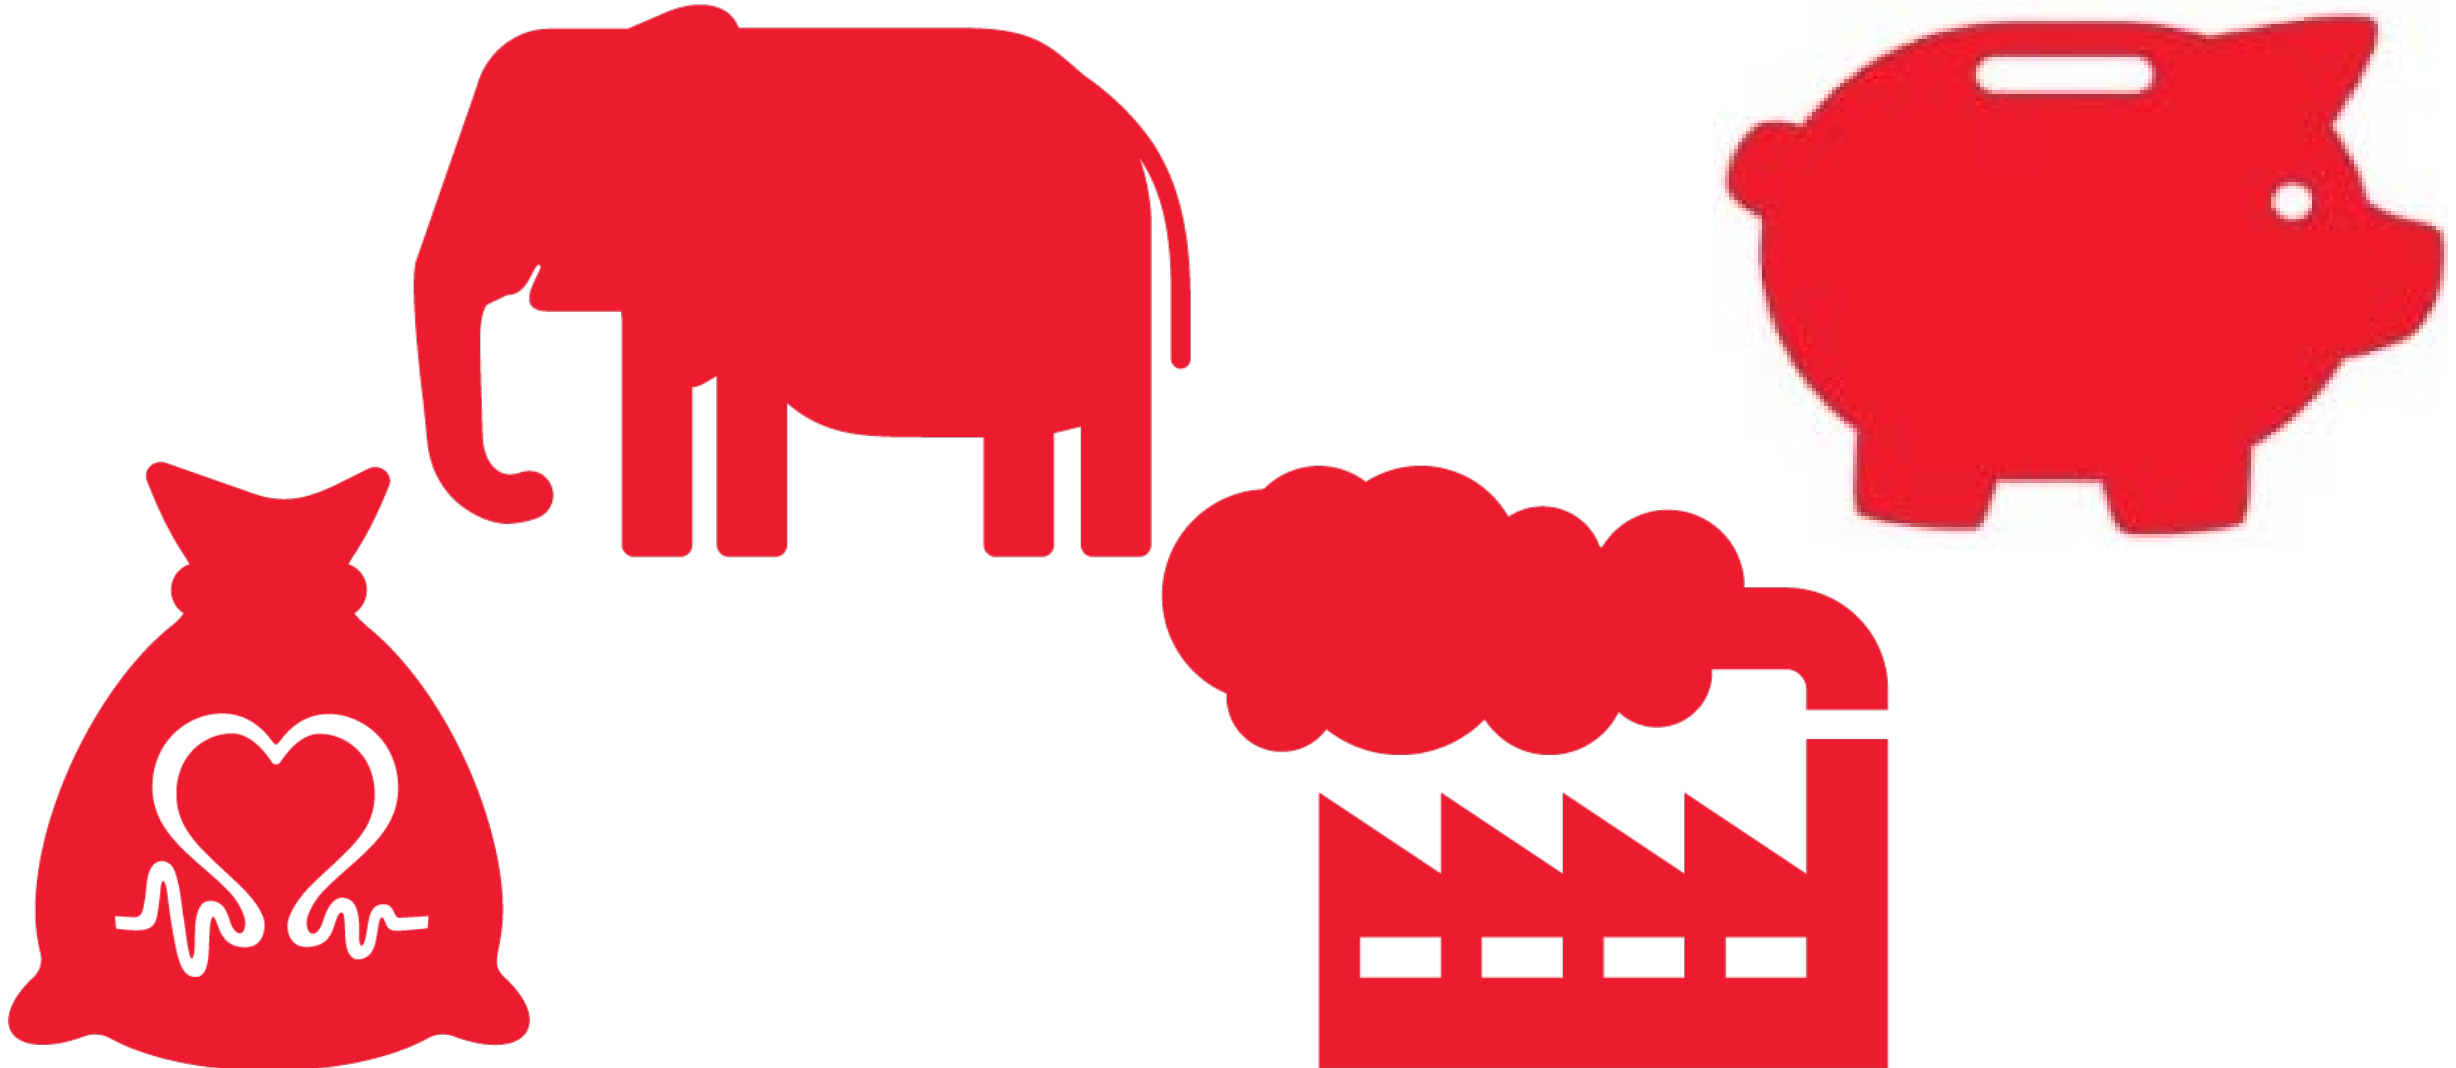

Medium April Nursing
September
International
Urban Large
Postgrad
Rural Small

City wide collaborations

Reduce Costs. Fund Research. Beat heartbreak.

- On and off campus
- Local councils
- Private halls of residence

The Results

Our Partners

Getting buy-in from all parties concerned.....

“For the end of year donation campaign to be successful we needed the ‘buy-in’ of all parties affected by the move out. We carried out a planning meeting with staff including the service team, portering and residence life at least two months in advance of the big launch event. We took this opportunity to promote the charity explaining the ‘what, where and how’ the donations could be made.”

Why you should work with us

Reduce Costs. Fund Research. Beat heartbreak.

A proven, award winning model that works and delivers real results year on year with added value and delivered completely free by the BHF.

Why you should work with us

Reduce Costs. Fund Research. Beat heartbreak.

- ✓ Pack for Good will reduce your waste costs each year
- ✓ It will help to increase your environmental credentials
- ✓ Help to engage your staff and students in re-use for good causes
- ✓ Helping to instil behavioural change
- ✓ In turn support the BHF in your City
