

# THE BIG HOLIDAY SWITCH OFF

UEA staff and students switch off over the holidays. Join us this year to reduce wasted energy over the festive period.

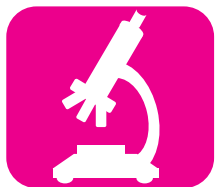

**UEA is closed from 22 December – 1 January.**  
**We will be turning down campus heating to weekend temperatures in unoccupied buildings.**

*Rooms with dedicated heating/cooling units will remain stable*

## Get involved:

Switch off all non-essential lights, PCs, equipment and instrumentation overnight and while you're away.

*Contact your PI/ lab manager with questions over switching off kit.*

**SUSTAINABLE  
WAYS**
