

Introduction to the Sustainability Challenge

Teaching, Learning & Student Development:

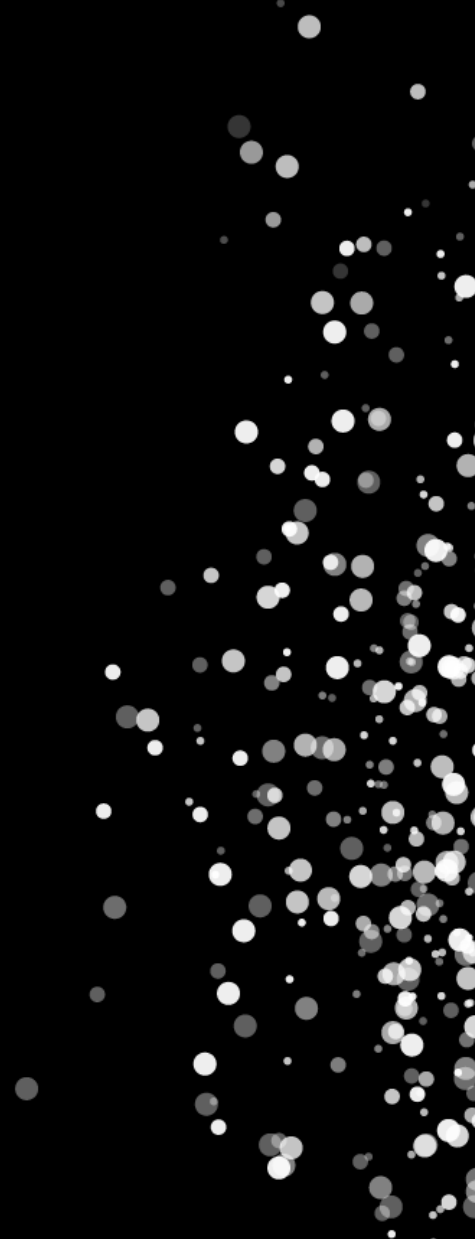

- Dr Sam Hemsley
- Sian Yeowell

Global Development Institute:

- Dr Judith Krauss,
Lecturer: Environment, Climate Change and Development
(Jan 2019) Sheffield Institute for International Development

Stellify ... to be changed into a star

1. Learn without boundaries – University College for Interdisciplinary Learning
2. Understand the issues that matter – Ethical Grand Challenges
3. Make a difference - volunteering
4. Step up and lead – variety of roles eg student societies, PEER
5. Create your future – careers & employability eg placements
